If accepted as a representative, I agree to follow the rules of my school and FHSAA and to abide by their decisions. I know that athletic participation is a privilege. I know of the risks involved in athletic participation, understand that serious injury, including the potential for a concussion, and even death, is possible in such participation, and choose to accept such risks. I voluntarily accept any and all responsibility for my own safety and welfare while participating in athletics, with full understanding of the risks involved. Should I be 18 years of age or older, or should I be emancipated from my parent(s)/guardian(s), I hereby release and hold harmless my school, the schools against which it competes, the school district, the contest officials and FHSAA of any and all responsibility and liability for any injury or claim resulting from such athletic participation and agree to take no legal action against FHSAA because of any accident or mishap involving my athletic participation. I hereby authorize the use or disclosure of my individually identifiable health information should treatment for illness or injury become necessary. I hereby grant to FHSAA the right to review all records relevant to my athletic eligibility including, but not limited to, my records relating to enrollment and attendance, academic standing, age, discipline, finances, residence and physical fitness. I hereby grant the released parties the right to photograph and/or videotape me and further to use my name, face, likeness, voice and appearance in connection with exhibitions, publicity, advertising, promotional and commercial materials without reservation or limitation. The released parties, however, are under no obligation to exercise said rights herein. I understand that the authorizations and rights granted herein are voluntary and that I may revoke any or all of them at any time by submitting said revocation in writing to my school. By doing so, however, I understand that I will no longer be eligible for participation in interscholastic athletics.

Consent and Release from Liability Certificate for Concussions (Page 2 of 4)

This completed form must be kept on file by the school. This form is valid for 365 calendar days from the date of the most recent signature.

School: Booker T. Wahsington Sr. High School District (if applicable):

Concussion Information

Concussion is a brain injury. Concussions, as well as all other head injuries, are serious. They can be caused by a bump, a twist of the head, sudden deceleration or acceleration, a blow or jolt to the head, or by a blow to another part of the body with force transmitted to the head.

Signs and Symptoms of a Concussion:

Concussion symptoms may appear immediately after the injury or can take several days to appear. Studies have shown that it takes on average 10-14 days or longer for symptoms to resolve and, in rare cases or if the athlete has sustained multiple concussions, the symptoms can be prolonged.

- Vacant stare or seeing stars
• Lack of awareness of surroundings
• Emotions out of proportion to circumstances (inappropriate crying or anger)
• Headache or persistent headache, nausea, vomiting
• Altered vision
• Sensitivity to light or noise
• Delayed verbal and motor responses
• Disorientation, slurred or incoherent speech
• Dizziness, including light-headedness, vertigo(spinning) or loss of equilibrium (being off balance or swimming sensation)
• Decreased coordination, reaction time
• Confusion and inability to focus attention
• Memory loss
• Sudden change in academic performance or drop in grades
• Irritability, depression, anxiety, sleep disturbances, easy fatigability
• In rare cases, loss of consciousness

DANGERS if your child continues to play with a concussion or returns too soon:

Athletes with signs and symptoms of concussion should be removed from activity (play or practice) immediately. Continuing to play with the signs and symptoms of a concussion leaves the young athlete especially vulnerable to sustaining another concussion.

Steps to take if you suspect your child has suffered a concussion:

Any athlete suspected of suffering a concussion should be removed from the activity immediately. No athlete may return to activity after an apparent head injury or concussion, regardless of how mild it seems or how quickly symptoms clear, without written medical clearance from an appropriate health-care professional (AHCP).

Return to play or practice:

Following physician evaluation, the return to activity process requires the athlete to be completely symptom free, after which time they would complete a step-wise protocol under the supervision of a licensed athletic trainer, coach or medical professional and then, receive written medical clearance of an AHCP.

For current and up-to-date information on concussions, visit http://www.cdc.gov/concussioninyouthsports/ or http://www.seeingstarsfoundation.org

Statement of Student Athlete Responsibility

Parents and students should be aware of preliminary evidence that suggests repeat concussions, and even hits that do not cause a symptomatic concussion, may lead to abnormal brain changes which can only be seen on autopsy (known as Chronic Traumatic Encephalopathy (CTE)).

I acknowledge the annual requirement for my child/ward to view "Concussion in Sports" at www.nflslearn.com. I accept responsibility for reporting all injuries and illnesses to my parents, team doctor, athletic trainer, or coaches associated with my sport including any signs and symptoms of CONCUSSION.

Consent and Release from Liability Certificate for

Sudden Cardiac Arrest and Heat-Related Illness (Page 3 of 4)

This completed form must be kept on file by the school. This form is valid for 365 calendar days from the date of the most recent signature.

School: Booker T. Wahsington Sr. High School District (if applicable): _____

Sudden Cardiac Arrest Information

Sudden cardiac arrest (SCA) is a leading cause of sports-related death. This policy provides procedures for educational requirements of all paid coaches and recommends added training. Sudden cardiac arrest is a condition in which the heart suddenly and unexpectedly stops beating. If this happens, blood stops flowing to the brain and other vital organs. SCA can cause death if it's not treated within minutes.

Symptoms of SCA include, but not limited to: sudden collapse, no pulse, no breathing.

Warning signs associated with SCA include: fainting during exercise or activity, shortness of breath, racing heart rate, dizziness, chest pains, extreme fatigue.

It is strongly recommended that all coaches, whether paid or volunteer, be regularly trained in cardiopulmonary resuscitation (CPR) and the use of an automated external defibrillator (AED). Training is encouraged through agencies that provide hands-on training and offer certificates that include an expiration date. Beginning June 1, 2021, a school employee or volunteer with current training in CPR and the use of an AED must be present at each athletic event during and outside of the school year, including practices, workouts and conditioning sessions.

The AED must be in a clearly marked and publicized location for each athletic contest, practice, workout or conditioning session, including those conducted outside of the school year.

What to do if your student-athlete collapses:

1. Call 911
2. Send for an AED
3. Begin compressions

FHSAA Heat-Related Illnesses Information

People suffer heat-related illness when their bodies cannot properly cool themselves by sweating. Sweating is the body's natural air conditioning, but when a person's body temperature rises rapidly, sweating just isn't enough. Heat-related illnesses can be serious and life threatening. Very high body temperatures may damage the brain or other vital organs, and can cause disability and even death. Heat-related illnesses and deaths are preventable.

Heat Stroke is the most serious heat-related illness. It happens when the body's temperature rises quickly and the body cannot cool down. Heat Stroke can cause permanent disability and death.

Heat Exhaustion is a milder type of heat-related illness. It usually develops after a number of days in high temperature weather and not drinking enough fluids.

Heat Cramps usually affect people who sweat a lot during demanding activity. Sweating reduces the body's salt and moisture and can cause painful cramps, usually in the abdomen, arms, or legs. Heat cramps may also be a symptom of heat exhaustion.

Who's at Risk?

Those at highest risk include the elderly, the very young, people with mental illness and people with chronic diseases. However, even young and healthy individuals can succumb to heat if they participate in demanding physical activities during hot weather. Other conditions that can increase your risk for heat-related illness include obesity, fever, dehydration, poor circulation, sunburn, and prescription drug or alcohol use.

By signing this agreement, I acknowledge the annual requirement for my child/ward to view both the "Sudden Cardiac Arrest" and "Heat Illness Prevention" courses at www.nfhslearn.com. I acknowledge that the information on Sudden Cardiac Arrest and Heat-Related Illness have been read and understood. I have been advised of the dangers of participation for myself and that of my child/ward.

X Activity: _____

X Parent/Guardian's Name: _____

X Participating Child(ren)'s Name: _____

I desire to participate or allow my child(ren) ("Activity Participant") to participate in one or more voluntary extracurricular activities, being held outside of the School Board of Miami-Dade County, Florida's ("School Board") campus. I acknowledge that the novel coronavirus known as COVID-19 has been declared as a worldwide pandemic and is contagious and spread by person-to-person contact, including in Miami-Dade County and elsewhere in the United States. I further acknowledge that federal, state, and local agencies recommend social distancing and other measures to prevent the spread of COVID-19.

The School Board will have third-party organizations ("Organizations") hosting certain extracurricular activities, including field trips during the 2021-22 school year. I understand that if I or my child(ren) choose to participate in these activities (hereinafter "Activity"), the Activity will be controlled, organized, contracted and staffed independently of the School Board, and will be conducted with the safety protocols these Organizations deem appropriate under the circumstances at the time, which may be subject to change.

I understand that the School Board will not be responsible for implementing, supervising, or informing the Activity Participant(s) of this Organization's safety protocols, and that it is solely my responsibility, as well as the Activity Participant's, to adhere to all state, federal, and local safety protocols, as well as those the Organization provides.

I understand that this Activity may be cancelled at any time at the request of the Organization, pursuant to state, federal, and local safety protocols, or at the request of the School Board. While the School Board will endeavor to return any funds expended by Activity Participant for the Activity, the School Board cannot guarantee a full or partial reimbursement of the same. With that understanding:

I, on behalf of myself and my child(ren), as well as anyone entitled to act on my behalf, hereby knowingly and voluntarily forever waive, release, and hold the School Board and its employees and agents harmless from any and all claims, suits, liability, actions, judgments, attorneys' fees, costs, and any expenses of any kind resulting from damages, grounded in tort, contract or otherwise, that I and/or my child(ren),

or my or our representatives, sustain related to payments for my or my child(ren)'s participation or involvement in the Activity.

In an effort to ensure the safety and wellness of our school community, I understand the importance of Activity Participants, including my child(ren), being healthy and safe when they participate in the Activity. By signing below, I agree that I will:

- Perform daily temperature checks on my child(ren) to screen for fever before arrival to the Activity. Fever is defined as a temperature over 100.4 F or 38.0 C. SPORTSMANSHIP AGREEMENT

Dear Parent/Guardians:

Your son or daughter has indicated a desire to participate in interscholastic athletics and you have expressed your willingness to permit him/her to complete. We, who are concerned with the educational development of boys and girls through athletics, feel that a properly controlled, well-organized sports program meets the students' needs for self-expression, mental alertness and physical growth. Our hope is to maintain a program that is sound in purpose and that will further each student's educational maturity.

When your son-daughter enlists in one of our sports programs, the school staff commits to the following responsibilities and obligations: 1) encourage and monitor classroom achievement; 2) provide adequate equipment and facilities; 3) provide a certified head coach; 4) provide equalized contests with skilled officials; and 5) provide adequately supervised transportation to away events when possible. It must be understood that being part of an athletic team does not guarantee a minimum amount of playing time. Head coaches and their staff will determine who will represent the school in the sport for which they are responsible. High school athletics is an extra-curricular activity that makes it a privilege to participate and not a right.

As parents you have committed yourselves to certain responsibilities and obligation as well. As a parent/guardian of a potential athlete at this school you are expected to do the following: 1) encourage your son/daughter to work hard in the classroom; 2) support our coaches' decisions or to arrange a private meeting with both the coach and/or athletic director should a conflict arise; and 3) attend as many games as possible and cheer for our school, and specifically, for your child.

Good conduct is expected on the part of all involved. Profanity and/or unnecessary comments toward student athletes, game officials, coaches and other fans will not be tolerated at any interscholastic contest. Such behavior may result in the dismissal or removal of such an offender from participation in, or attendance at school athletic events.

Please understand that college athletic scholarships are earned by meeting certain academic and athletic requirements that are set forth by the National Collegiate Athletic Association (NCAA). Guideline and information on the college recruiting process are available in the Athletic Director's Office or through the NCAA Clearinghouse.

By Signing below, I agree and understand the contents contained in this letter.
